Story			
<p>I am Sydney and I have been in the shelter an entire year! I am just a youngster and have spent almost my entire life in the shelter. I am a good girl but I am quite shy. I am so happy to be out of the shelter and to be given a chance at a new life. I would love to have a family and home of my own. Before I leave the prison, I will be potty trained/crate trained and I will know basic obedience. I have been spayed and I have all my shots. I am micro-chipped and heartworm negative. Is there a place in your home and your heart for me?</p> <p><b>Available for adoption approximately: December 17, 2015</b></p>
