**NMCD INVESTIGATING ALLEGATIONS OF STAFF MISCONDUCT AT CNMCF**

**Santa Fe-**Based on an allegation associated with undue familiarity between a staff member and inmate at the Central New Mexico Correctional Facility in Los Lunas, the New Mexico Corrections Department (NMCD) has launched an internal professional standards investigation into the matter. Because the allegations have not yet been independently corroborated or substantiated, the names of both the alleged employee and inmate will not be released at this time.

Based on the safety sensitive nature of the correctional facility, the employee in the center of the alleged misconduct has been placed on administrative leave pending more insight into the allegations.

Should you require follow-up questions or interview in this matter, please contact the designated Public Information Officer, Deputy Warden Ken Sandlin at 505-401-1461.
