Press Release

June 20, 2012

Re: PNM Employee Placed on Administrative Leave

The New Mexico Corrections Department's Professional Standards Unit and the New Mexico State Police are investigating an allegation of employee-on-employee sexual misconduct at the Penitentiary of New Mexico in Santa Fe. As a consequence, one PNM employee was placed on paid administrative this afternoon. Because the employee has not been criminally charged, the employee's name will not be released, at this time.

"It doesn't matter who you are or who the victim is, sexual misconduct will not be tolerated within our organization or facilities. All allegations of this sort will be thoroughly investigated and dealt with accordingly."
