AUDIT FINDINGS

NARRATIVE:

Prior to the audit interviews were conducted with the Deputy Secretary of Administration, the Statewide PREA Coordinator and the head of investigators for the Department of Professional Standards, which is responsible for PREA investigations. These interviews indicated the Department is committed to complying with the PREA Federal Standards.

The PREA Audit of the Roswell Correctional Center was conducted on February 16-18, 2016. (When referring to “the facility”, unless otherwise noted, this term is intended to reference Roswell Correctional Center). The Designated Certified Auditor, Michael Klemke, was assisted by George Gilbert, who has been through National PREA Auditor training.

The audit team wishes to extend its appreciation to Acting Warden Mary Christensen, Captain Adino Castillo and their staff for the professionalism, hospitality, and kindness they showed the audit team.

The audit team also wishes to compliment the New Mexico DOC PREA Coordinator, Jillian Shane for her outstanding work in organizing and assisting us with the requested information prior to and during the audit. This enabled the audit to move forward very efficiently.

Upon arrival at the facility, we held a pre-audit meeting to inform staff why we were there and what we were looking for in the audit. The following New Mexico staff were at this entrance meeting: Statewide PREA Coordinator Jillian Shane, CYFD PREA Coordinator Eugene Brewster, CNMCF Captain Armando Rel, SNMCF Captain Willie Flores, Warden Mary Christensen, Chief of Security Captain Adino Casillo, Warden's Admin Assistant Lupe Castro, Plant Manager David Reed, Admin Lt. Michael Brisco, Lt. Antonio Reyes, Classification Supervisor Amy Lee, Behavioral Health Therapist Carla Cortez, Business Manager Janet Sanders, Health services Administrator Mindy Ortega, Roster Management Officer Elizabeth Virrueta, Disciplinary/Hearing Officer John Crocker, Records Manager BEnda Saenz, ACA Compliance Manager Russell Cain, Human Resources Mona Parks, PREA auditor George Gilbert and lead auditor Michael Klemke.

Following the Entrance Meeting, the audit team was given a very thorough tour of the Roswell Correctional Center to include the living units, program areas, visiting, Correctional Industries, kitchen, warehouse, intake area, training department and the facility fire department. After the tour, the audit team began interviewing staff, reviewing files and observing processes.
At least one offender from each housing unit was interviewed. Those interviewed were randomly selected, by the auditors, from a list of all the inmates in the facility. In addition, inmates who were identified as being in a designated group (i.e. disabled, limited English speaking ability, LGBTI, or who had reported a sexual abuse, etc.) were also interviewed. The interviews indicate the inmates know what PREA is and how to report concerns.

Correctional officers from each shift were interviewed and other identified specialized staff were interviewed, including the Warden, PREA Compliance Manager, first responders, contractor, health care providers, mental health professionals, HR, intake staff and the SANE coordinator for New Mexico Coalition of Sexual Assault Programs Inc.

The correctional officers and other staff were knowledgable about PREA, offender rights regarding PREA, first response, and evidence collection. The vast majority of staff clearly understood PREA and the agency’s commitment to it. Warden Christensen is committed to implementing and ensuring compliance with the PREA standards within his facility and it was very apparent to the audit team.

Health care and mental health staff that provide services to the inmates at Roswell Correctional Center are very professional and knowledgeable with regard to their responsibilities when responding to PREA allegations and the protocols for follow up treatment.

When the on-site audit was completed, the audit team conducted an exit meeting with the facility executive team. The auditors gave a brief overview of the audit results and thanked the Roswell Correctional Center staff for their hard work and commitment to the Prison Rape Elimination Act. The audit team also made some recommendations to the PREA Compliance Manager and the Warden and offered any assistance needed in making improvements or changes.

It is apparent to the auditors that the facility staff are dedicated and committed to meeting the Federal PREA Standards, but also to the overall safety and security of the inmates, staff and visitors.
