**POLICY:**

A. New Mexico Corrections Department (NMCD), Recidivism Reduction Division (RDD) will, at its discretion, provides postsecondary education to qualified inmates. These programs shall:

[CEA-37, 43, 49, & 63]

1. Provide postsecondary education for qualified inmates that lead to a college degree.
2. Be consistent with the needs of the inmate population.
3. Provide advisement and educational counseling to students by professional personnel.
4. Be evaluated by NMCD Education Department at least annually for compliance with this and all other applicable policies and procedures.
5. Include provisions to meet the needs of qualified inmates who require special placement due to physical, mental, emotional or learning disabilities.

B. NMCD, RDD *does not* discriminate on the basis of race, color, national origin, gender, or handicap in its programs, activities, or inmate employment. In situations where staff or students determine a scheduled class, activity, or facility is not accessible to them because of disability, they should immediately contact the facility Supervisor of Education.

C. For inmates participating in a postsecondary programming, NMCD Central Office Administration, Classification, Education Department, and facility Wardens should collaborate to minimize transfers except for safety, security or disciplinary purposes. However, an inmate’s enrollment or participation in postsecondary education programs will not preclude the inmate from being transferred in accordance with NMCD policies or otherwise guarantee the inmate’s placement at any particular facility.
Inmates enrolled in postsecondary programs may be transferred to any NMCD facility without regard to whether the receiving facility offers the same or similar postsecondary education programming.

D. Postsecondary programs shall be recognized, certified, or licensed by the state department of education or other recognized agency having jurisdiction. Programs up to the completion of high school or the GED shall be available at no cost to inmates. [4-4470]

E. Academic and vocational personnel policies and practices shall be comparable to local jurisdictions or other appropriate jurisdictions. [4-4473]

F. The NMCD shall provide for a system of academic and vocational counseling as well as initial screening, assessment and evaluation to determine each inmate’s educational needs. [4-4474]

G. Provision shall be made to meet the educational and vocational needs of inmates who require special placement because of physical, mental, emotional or learning disabilities. [4-4475]

H. The NMCD shall provide for a comprehensive educational program, available to all inmates who are eligible that includes the following: [4-4464]

- Educational philosophy and goals;
- Communication skills;
- General education;
- Basic academic skills;
- GED preparation;
- Special education;
- Vocational education;
- Postsecondary education; and
- Other education programs as dictated by the needs of the institutional population

I. Academic and vocational training programs shall be assessed against stated objectives by qualified individuals, professional groups, and trade associations; this assessment shall be done at least every three years. [4-4471]

J. All academic and vocational educational personnel shall be certified by a state department of education or other comparable authority. [4-4472]

PROCEDURES: [4-4464]

A. Program Description:

The NMCD Recidivism Reduction Division (RDD) provides a variety of postsecondary classes to qualified inmates in all facilities. Some programming may be limited or otherwise restricted in accordance with security or other facility concerns. This programming is intended to provide higher educational opportunities to inmates who have a High School Diploma or General Education Development (GED) and wish to further their education. To accomplish this, each postsecondary class must comply with the standards stated below.

1. Postsecondary classes will be provided by an accredited college or university and will be provided in a variety of ways including but not limited to virtual learning environment (Blackboard, Moodle, etc.) on-site classroom instruction, media instruction or correspondence.
2. Postsecondary classes offered lead to an Associate of Arts (A.A.), Associates of Applied Science (A.A.S.), Bachelor of Arts (B.A.), Bachelor of Sciences (B.S.), or Master of Arts (M.A.) degree or vocational certification.
3. Classroom and lab spaces must meet security, safety and fire standards.
4. Program must meet all other appropriate NMCD standards for programming.

B. Program Organization:

The NMCD RRD provides administration, guidance and oversight of all NMCD postsecondary programs. Under the Supervision of the Education Administrator, and Deputy Education Administrator, the Supervisor of Education (SOE) provides general program oversight and administration of programs at all adult facilities and serves as Academic Advisor for incarcerated college students.

C. Program Evaluation: [4-4471]

Each postsecondary program at each adult prison facility will be evaluated by NMCD RDD, Education Department at least annually for compliance with this and all other applicable policies and procedures, as well as trade specific certification standards and requirements. Additionally, each program is auditable by American Correctional Association (ACA) and
the Correctional Education Association (CEA). Specific programs may be audited by the credentialing or accrediting agency at the intervals required by that agency. Each College Facilitator will be observed at least quarterly by the Education Supervisor to evaluate facilitation techniques and effectiveness, classroom/lab management, student participation, appropriate content and classroom or lab safety and security.
Refer to attached Postsecondary Education Audit tool form (CD-121101.A)

D. Program Development and Monitoring:

1. Program Monitoring:

Under the direction of the RRD, Administrator of Education, and Deputy Administrator of Education Department they will annually review the post secondary education program for compliance, credentialing requirements and inmate needs.

2. Program Development:

Facility Supervisor of Educations or NMCD/facility administrative staff requesting or recommending new postsecondary development or modification of an existing program must submit a written recommendation to the RDD and Administrator of Education for review. The recommendations must include but are not limited to the following:

a. Justification for program addition or modification.
b. Proposed curriculum.
c. Instructional methodology.
d. Explanation of how the proposed addition or modification would comply with current degree plans or vocational certifications offered. If additions or modifications do not comply with current degree plans or vocational certifications offered, then an explanation of how proposed additions or modifications would be implemented for new degree plans or vocational certifications is to be given.
e. Required modifications to educational facilities and impact on current operations.
f. Program startup and delivery costs.

E. Operating Procedures:

1. Student Qualification Requirements:

Each inmate requesting admission to any NMCD postsecondary educational program must meet the following minimum requirements. Also, continuance in NMCD postsecondary educational programming will be evaluated each semester and will be based on the following:

a. Possess a High School Diploma (HSD) or General Education Development (GED) certificate. This information must be recorded in the CMIS offender management system as verified by the Education Department Verification Records Office.
b. Demonstrate a National Reporting System (NRS) Level 5, Low Adult Secondary reading level by CASAS or TABE.

c. Demonstrate a NRS Level 5 math level by CASAS or TABE to enroll in college level math and science classes. Students who do not demonstrate a level 5 in math may be placed in an ABE class for math remediation.

d. An Accuplacer assessment may be required for new students in addition to a CASAS or TABE assessment.

e. Demonstrate aptitude, interest, or need for postsecondary programming via career exploration assessments, such as Choices, workplace aptitude assessments, such as WorkKeys, or risk and needs assessments, such as COMPAS. If the candidate is unable to demonstrate aptitude, interest, or need he or she may still participate in the program with the Education Supervisor’s approval. This approval should be primarily based on program availability, and the candidate’s genuine interest and ability to participate in and satisfactorily complete the program.

f. Have at least six months remaining on their sentence based on PRD as reported in the current offender management database. Dates are measured from the first day of instruction of the current semester as reported on the postsecondary institution academic calendar.

g. Must have six months of clear conduct from the start date of the semester as indicated by no disciplinary findings of guilty.

h. Continuing students must maintain, at a minimum, a 2.0 GPA in postsecondary courses.

2 Student Registration Requirements:

Each inmate requesting admission to any NMCD postsecondary educational program must register with the Facility SOE as follows:

a. Must complete the undergraduate application for admission and registration form (if applicable) prior to initial enrollment.

b. Have official transcripts sent directly by ALL colleges or universities previously attended to the respective facility SOE at the time of application to the program using the Transcript Request form (CD-121101.5). Inmate is responsible for any transcript fees charged by colleges or universities previously attended.

c. Must sign appropriate safety and classroom rules agreements.

d. Must sign Inmate Purchase Order for College/Vocational Courses form (CD-121101.3) for courses and materials.
e. Purchase order will be submitted for grades of “D”, “F”, or “W”. If a student withdraws due to circumstances beyond their control the purchase order will not be submitted. Purchase Order will also be submitted for damaged or lost materials in conjunction with postsecondary programs. Student may not be eligible to take postsecondary courses until the full amount is paid.

f. Students owing a balance to the RRD, Education Department from a submitted purchase order will be barred from registration until the balance is paid in full.

g. Enrollment in postsecondary programs must be approved and inmates must be formally assigned to education by classification committee action.

h. New students at Level I, II & III facilities may take up to two classes or six hours per semester without the consent of the SOE. All other students at Level I, II & III facilities may take up to three classes or ten hours a semester without the consent of the SOE.

i. New students at Level I, II & III facilities enrolled in virtual learning environment courses must complete the following pre-requisites.

1) UNIV101 – Success Skills for College and Career OR equivalent;
2) CAS101 – Introduction to Keyboarding OR equivalent;
3) CAS151 – Basic Computer Skills OR equivalent.

j. Students who can demonstrate a typing speed of 40 words per minute may be exempt from CAS101. Students who can provide documentation of previously completing a Microsoft Office vocational program or a course comparable to CAS 151 may be exempted from the course.

k. Students in Special Management may take up to two classes or six hours a semester without the consent of the SOE.

l. Prior to registration, students wishing to take more than the maximum allowed hours or classes must submit a request to the SOE and may take more than the maximum allowed hours or classes upon approval and with the written consent of the SOE.

m. Inmates receiving any disciplinary reports while enrolled may be expelled from postsecondary educational programs.

n. Inmates receiving a Urine Analysis (UA) positive for a controlled substance may be expelled from postsecondary educational programs. A controlled substance is defined in the Controlled Substance Act. See §30-31-1, NMSA 1978.

o. Students enrolled in postsecondary educational programs will not be allowed to participate in vocational programming pending availability.
2. **Self-Pay Students**
   
a. Students paying their own tuition and fees who are participating in postsecondary educational programming through a partnering college are subject to the following qualifications:
   
b. Possess a HSD or GED certificate. This information must be recorded in the CMIS offender management system.
   
c. Demonstrate a National Reporting System (NRS) Level 5, Low Adult Secondary reading level by CASAS or Tests of TABE.
   
d. Demonstrate a NRS Level 5 math level by CASAS or TABE to enroll in college level math and science classes. Students who do not demonstrate a level 5 in math may be placed in an ABE class for math remediation.
   
e. Possess an Accuplacer assessment if applicable for new students in addition to a CASAS or TABE assessment.
   
f. Must complete the undergraduate application and registration form (if applicable) for admission prior to initial enrollment.
   
g. Have official transcripts sent directly by ALL colleges or universities previously attended to the respective facility SOE at time of application to the program.
   
h. Must sign appropriate safety and classroom rules agreements.
   
i. Must provide a **Tuition Payment Information for Self-Pay College Students** form *(CD-121101.1)* and pay tuition in full by the beginning of midterm week as indicated on the postsecondary institution’s academic calendar.
   
j. Must make payment to the postsecondary institution as agreed or will not be enrolled in subsequent semesters until the balance is paid.
   
3. **Administration and Management:**
   
Facility education staff will be responsible for the following:
   
a. Strictly adhere to the guidelines of the “Student Qualification Requirements” when registering students into postsecondary classes.
   
b. Student Soft File: The SOE at each facility will maintain a student file (soft file) for each student enrolled in postsecondary courses. These files will be maintained in a secure manner and will not be accessible to other students. At a minimum, the student soft file will contain:
1. Copy of most current undergraduate application for admission.

2. Copy of most current registration form, if applicable.

3. Copies of student transcript request forms where transcripts have not been sent yet.

4. Copies of official transcripts, if applicable.

5. Updated copy of student degree plan.

6. Copy of most current purchase order(s).

7. Copy of most current **Tuition Payment Information for Self Pay College Students** form (CD-121101.1), if applicable.

8. Copy of safety and classroom rules agreements.

9. Copy of career exploration assessments results, if applicable.

10. Copy of student grade report(s) or most recent unofficial transcript.

c. Student Hard File: The facility Registrar will maintain a student hard file for each student enrolled in postsecondary courses. These files will be maintained in a secure manner and will not be accessible to other students. At a minimum, the student hard file will contain:

1) Verification of H.S.D. or GED.

2) CASAS or TABE Reading assessment indicating NRS Level 5 reading level or better.

3) CASAS or TABE Math assessment indicating NRS Level 5 math level or better (if applicable).

4) Updated copy of student degree plan.

5) Copy of student grade reports or most recent unofficial transcript.

6) Copies of official transcripts, if applicable;

7) Original copy of current purchase order(s).

8) Copy of diploma(s), if applicable;
9) Original copy of Tuition Payment Information for Self Pay College Students form (CD-121101.1), if applicable.

10) Original copy of Independent Course of Study Request form (CD-121101.2), if applicable; and

11) Original copy of Postsecondary Diploma Receipt Acknowledgement form (CD-121101.4.0).

d. The College Facilitator will have official transcripts sent to the College Coordinator for any student who has earned credit from other postsecondary institutions.

e. The College Facilitator will notify the College Coordinator before performing any student enrollment changes such as drops, adds, withdrawals and late registrations.

f. The College Facilitator will notify the College Coordinator before submitting student purchase orders to the business office.

g. The SOE is responsible for making all notifications when students transfer to another facility and will be responsible for sending the student’s soft file to either the SOE or the Registrar at the facility the student was transferred to. If the student transfers to a facility that does not provide classes, the SOE at the sending facility will notify the SOE at the receiving facility and submit withdrawal paperwork.

h. The SOE will enter postsecondary data in the current offender management database as outlined in Offender Management Program, (OMP) Procedures for Postsecondary Programs available on the NMCD network drive.

i. When a degree is earned and a diploma is awarded:

   a. The inmate must sign upon receipt of the diploma, a Postsecondary Diploma Receipt Acknowledgement form (CD-121101.4).

   b. A copy of the diploma and the Acknowledgement form will be sent by the SOE to the proper authority.

   c. A copy of the diploma and the original Acknowledgement form will be filed in the Education Hard File.

   d. The SOE will record the diploma in the current offender management database.

j. Inmate enrollment in correspondence courses that are not funded by NMCD, RRD Education Department is subject to the following conditions:
1) All courses must be offered by a college, university or school accredited/approved by the United States Department of Education and lead to a degree or certification.

2) Inmates must possess a HSD or GED certificate unless the correspondence course requested is for this credential. This information must be recorded in the current offender management database as verified by the Education Department Verifications Records Office.

3) Inmates are responsible for all tuition, course material, textbook, and postage costs, or are responsible for making financial arrangements with family members or others persons/financial sources for such costs.

4) Inmates shall obtain registration forms, course catalogs, textbook and course material lists and order forms from the college, university or school in which they want to enroll; complete the registration form, indicating the course title(s) and number(s) that they wish to take; and using the Independent Course of Study Request form (CD-121101.2) gain approval from the Education Supervisor and Warden. The SOE is responsible for providing written approval or denial to the inmate.

5) The College Coordinator will enter the outcome of Independent Course of Study requests in the current offender management database under OMP plan Notes.

6) Inmates are responsible for the timely submission of assignments, projects, and examinations.

7) Inmates must have textbooks and course materials sent to the facility Education Supervisor or appointee. The Education Supervisor or appointee shall forward the materials to the inmate.

8) Course(s) being requested must not pose a threat to staff, inmates or institutional security. This includes course material which may be considered contraband under NMCD policy.

9) Correspondence courses of a religious nature are not subject to items 1 and 2 above.

4. Advising:

Under the Supervision of the RRD, Ed Admin and Deputy Ed Admin the SOE will be responsible for overseeing and providing academic advising and career counseling to students.
The SOE will be available year-round to assist students, whether they are currently enrolled, returning to college, or simply considering enrolling in college classes. The SOE’s responsibilities as an advisor and career counselor for students will include but not be limited to the following:

a. Provide academic advising services to assist students in the achievement of their educational goals.

b. Help students set appropriate and achievable academic and career goals.

h. General transfer advisement including obtaining official transcripts and articulation of transfer credits into degree plans.

i. Class scheduling assistance.

j. Update degree plans.

k. Provide degree audits.

l. Monitor the progress of students until the student has met his or her educational goal in their area of interest.

m. General career planning and assessment.

n. Financial Aid needs.

o. Keeps all information regarding students’ personal records confidential.

p. Train College Facilitators to assist students with advisement.

q. Encourage students to be self-sufficient in tracking academic progress and making educational and career decisions.
Tuition Payment Information
For Self-Pay College Students

College tuition is traditionally paid to the college at the beginning of each semester. Many colleges employ a payment plan system so that students can pay tuition throughout the semester. As a self-pay student, you will be asked to meet similar expectations. If you choose to make payments, payment in full will be due at the beginning of midterms.

Self-pay students are offered the same rate as students whose tuition is paid by the NMCD.
- Eastern New Mexico University Roswell branch = $61.00/credit hour plus applicable fees for labs and books.
- Mesa land Community College = $48.00/credit hour.

As a self-pay student, please tell us how you plan to pay your tuition and fees:

As a self-pay student, you agree to:
- Pay your tuition and fees in full.
- Pay your tuition and fees in full no later than the beginning of mid-terms.

You understand that:
- NMCD is not liable for your unpaid balances.
- A financial hold will be placed on your records for non-payment.
- You will not be allowed to register for subsequent semesters if your tuition and fees are not paid in full.
- It is your responsibility to remember when payment is due. Reminders will not be issued.
- Withdrawing from a class after the deadline does not release you from your financial responsibility.
- It is your responsibility to submit payment to the college. This cannot be done through NMCD Education staff.

Payments are submitted to the following addresses and should include your student ID number:
